

Reut Bar Yaacov

Web Developer

I love to learn by doing and to solve problems on the way to the target. Persistence, highly motivated, a quick learner, and a team player with highly Interpersonal skills. I am currently searching for a developer position that would allow me to grow professionally by learning from the best people in a great work environment :).

Projects

- **Inst-moment** - A Social network application for sharing images using MERN stack technologies and authentication system. **link**-> <https://shared-memories-app.netlify.app>
